A weekly progress report will be completed on Fridays and placed in their folders to be returned and signed by parents. Each child will earn weekly stars related to listening skills, following directions and behavior. The students who earn stars will receive a prize to reinforce positive skills and their choice of a station i.e. math, language arts, computer, play or reading to use during their free time.

Thursday of each week will be share day. Please have your child bring in something from home they would like to tell about and share with the class.
