

Greetings, Parents,

Welcome to 6th grade Language Arts! I am excited to be teaching your child and look forward to increasing his or her skills in reading comprehension, writing, vocabulary, and grammar. To make sure your child stays connected over the summer, I have assigned some summer reading designed to engage and entertain your child.

Students will be required to read two books this summer. They will select**one book of their choice** and complete a book report on that book using the attached book report form. They will also read *Where the Red Fern Grows*, by Wilson Rawls, and will be assessed on that book when they return to school in the fall.

Please let me know if you have any questions. I can be reached at n.arteberry@yahoo.com. Thank you, and have a wonderful summer!

Sincerely,

Nancy Arteberry
