

## **Rising 4<sup>th</sup> Grade Summer Reading**

Please have your child read for at least one hour per week. Books should be on or above grade-level. Sometimes you'll find the grade-level printed on the jacket or cover of the book. If not, you can refer to websites like the Scholastic Store to find the reading level of your child's book. Simply find the book on the Scholastic Store website ([shop.scholastic.com](http://shop.scholastic.com)) and refer to "product details" to find the reading level.

For any questions, please email me at [lilith@rambamdayschool.org](mailto:lilith@rambamdayschool.org).

Have a great summer!

Lilith Prince
