Message from the Principal...

One of the most important questions you can ask your child is; what can I do to help you?

This past week RDS pre-school celebrated pajama day in order to reenact Pharaoh running around searching for Moshe during the last of the ten plagues.

10 Makkos Makkos 10...

The first grade enjoyed presenting Makkah projects to the class. Each student was in charge of a different Makkah. We had a science experiment - changing water to look like blood, we had wild animals, we had ice and fire and so much more!
The class did a wonderful job!

Come see our posters in the elementary hallway!

2nd Grade News

The second grade went on a Brochos/blessings trip to In-Laws Produce. They knew the proper Brochah to say on all the foods they saw.

Cub Scout Pack 18 Update

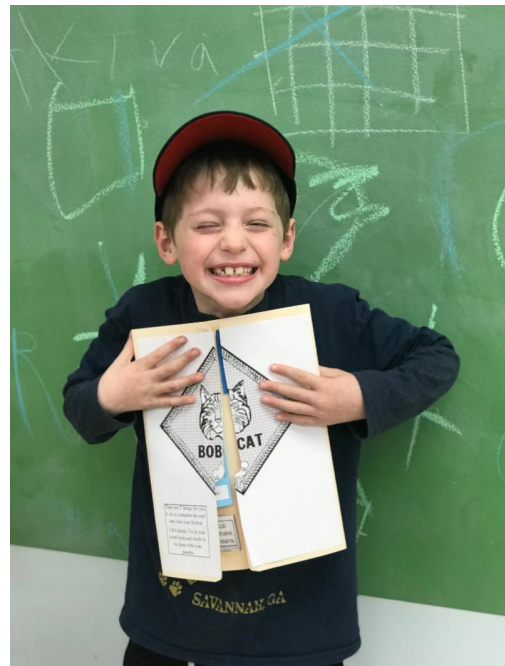

Since our last update, Rambam's Cub Scout Pack 18 has been learning, growing and sharing.

In December, we went for a winter walk at Wormsloe Historic Site, on the Isle of Hope. Our guide showed us everything from flora to fauna, explaining how the site came to be, and how some of its founder's descendants still live on site, almost 300 years later. We also got to see an example of what settlers' homes and workplaces probably looked like, as well as hiking some really neat trails. We wrapped up December with our first Lion and Bobcat badges being earned, and took a congratulatory trip to Krispy Kreme to celebrate.

To kick the year off right, in January we had our first Pinewood Derby racecar workshop. Cubs designed, sanded and/or painted their own wooden race car, in anticipation of our upcoming race in March. We met our new Assistant Cubmaster, Lex Lee, who came all the way from Charleston to help with the painting; other adults used handtools to cut cars out of wood which had already been designed by Cubs.

Activities coming up soon for our 14 girls and boys who are Cubs, include an Erev Tu B'Shvat tree planting, another winter walk, a visit to a local museum, and another Pinewood Derby racecar workshop – all to keep everyone learning, growing and sharing.

We can always use more boys and girls in our Pack (especially if they have prior Cub Scout OR Girl Scout experience), as well as adult volunteer leaders. If you'd like more information, please call or text Gary Lee at (912) 755-9791. It may be our first year as a Pack, but it certainly won't be our last!

Caught in the act...

Ethan said excuse me and was so polite to Rabbi Gordon.

Ethan, Rikki and Tzviki asked to help sweep the classroom. Tzviki kept on sweeping until every piece of dirt was all cleaned up!!!
