Lab Grade

September 5 Approval forms returned
*BEGIN RESEARCH AS SOON AS YOUR TOPIC HAS BEEN APPROVED!

September 1 Logbook is due.
A logbook is a notebook that must be **bound** with stitching so that pages are not removable. (Composition book)
Lab Grade

October 28 Last day to submit research plan. The research plan **must include**: the problem, hypothesis, procedure, and bibliography. It should explain exactly how you will do your experiment and exactly what the experiment will involve.
*START YOUR EXPERIEMENT AS SOON AS YOUR   RESEARCH PLAN IS APPROVED.
Test grade

October 31 Status check typed statement due
The status check typed statement is a summary of the status of the experiment and the logbook. (I want to know what you have completed and what you are doing at this point in your project including an up-to-date log book.)
